How to study CU courses?

- 1) In your own university
- 2) Via cross-study agreements
- 3) Via open universities
- 4) Independently, without credits

How to teach CU courses?

1) Have your own course

- Offer it to others via the cross-studies

2) Together with other HEIs

- Only 1 HEI can be responsible of the cross-studies
 - Others register their own students & credits
-
- Course copies in DigiCampus available by request
 - Teacher network to support
